Year 5 Coast Competition

Year 5 are REALLY excited about the culmination of their Learning Challenge: Have you got the Coast Factor? They have made coasts and written fantastic instructions for the next year 5 children. Parents are invited in at 9.30 on Thursday 7th December to look at the coasts and read the writing. Mrs Horan will be judging the coasts and the supporting writing this week! Keep an eye on the website for photos!

Reception Christmas Party

The reception Christmas party will be on Thursday 14th Dec in the afternoon. Children need to wear their uniform to school but they can bring NAMED party clothes in a bag and a small snack for themselves to eat (no eggs please). We will provide drinks.

KS 1 Christmas Parties

Year 1 and 2 will be having their Christmas party on Thursday 14th in the afternoon. Children will be sent home with a slip asking them to make a small donation of a given party food. Children need to bring in party clothes in a named bag to change into.

Before School Procedures

Just a quick reminder that until the building work is completed, space for everyone at morning drop off is quite restricted. We ask you to please keep off the grass area by the hall door as much as possible as it is getting increasingly muddy and slippery. We can spread out right along the side of the building and then make our way in when the whistle is blown. Please remember that although we monitor the outside areas of a morning, it is the family adults that have the responsibility over their child until 8:55, unless they have attended our breakfast club.

Uniform Purchases

After the Christmas holiday, we will be running a new ordering system for school uniform. Requisition forms will be available to complete from the office, where you can pay for your items and then collect the next day.

Registration

May we please remind you that if your child arrives at school after 9am, they must be signed in at the office to be registered as present and to ensure their safety in the event of an emergency.

Parking

We would like to let parents know that Leeds City Council are now using a parking enforcement vehicle to identify illegal and dangerous parking near schools. Photographs and video footage from these vehicles will be verified by parking enforcement officers and used to issue fines. With this in mind, we would like to remind you that if you do need to drive to school, please park responsibly and a little way away from the school gates. Please also ensure you switch your engine off rather than leave it idling.

Thank you

Christmas Jumper Day

Join in the fun on the last day of term and wear a Christmas jumper to school. We would love to see everyone looking festive!
