

22.6.18

This week we have been learning about the book 'Dear Zoo'. We have talked about the different animals in the story and we have modelled writing letters to the zoo to ask for a pet. The children have also been able to read many of the words in this book by themselves. What an achievement! They were very proud of themselves.

In Maths this week we have returned to sharing between two groups. The children have been using their problem solving skills when they had numbers such as 13, 7, 19 to share. One child said, "You can't share 13 fairly because it is an odd number!" Wow! What great understanding. Next week we are going to do some work around 2D flat and 3D solid shapes, as well as practising basic number skills to 20.

In phonics this week we have been reading words beginning with gr, tr, br, cl, sl and gl. The children have also learnt the tricky words 'some, come, like'. All children have continued to practise their reading and writing skills.

Next week is sports and healthy week. The children will be doing a range of physical activities during the week, including Taekwondo and multi skills. On Thursday we have our Sports Day on the field. We will have a separate area to the rest of the school. You are welcome to come and have lunch with the children at 11.45, with the Sports Day starting around 12.30. Please ensure your child has their PE kit at school all week.

Diary Dates

Thursday 28th June

Sports Day lunch then activities.

Friday 13th July

EYFS Teddy Bears Picnic parent event. 2pm

Tuesday 17th July

Open afternoon - details to follow

Friday 20th July

Break up for the Summer.

Have a lovely weekend. Mrs Houghton, Miss Horner and the Reception team.
