

Reception Weekly Newsletter

21.12.18

Well done to all the children who took part in the Christmas play. We were so impressed with everyone; singing, dancing, acting and smiling! Thank you to everyone who came to watch. We were as proud as you were! It was lovely to see some of the children who are a bit shy get up on the stage and overcome their fears.

This week the children have been writing stories, reading and learning about the number 9. After the holidays our topic is going to be dinosaurs, which is building on the interests of the children. We will be learning the phonemes x and w and the tricky word we. We will also be moving onto the number 10 in maths, as well as learning about shapes (their names and properties).

PE will continue to be on a Wednesday after the holidays. Please send PE kits into school by then. Please can you check your child's PE kit as we have a pair of trainers at school that no one is claiming! Thank you.

Please could you check your child's hair over the holidays for headlice. We have had a few occurrences over the past few weeks. In the early stages they can be very hard to spot as they are so small.

The children have a new task in their home learning book, as well as their phonic home learning and their reading book for over the holidays. Thank you for your continued support with learning at home.

We hope that you have a lovely break. The children are definitely ready for a rest!

Merry Christmas and best wishes for the New Year. See you in 2019!
