Happy New Year! Welcome back after the Christmas break. I hope you all had some lovely family time together, even in the snow!

The children have settled straight back into routine and have talked enthusiastically about their Christmas presents and time at home. Thank you for your contributions to the home learning. It was lovely to hear the children talk about what makes them and their family special.

Unfortunately we were not able to do PE this week as the hall was in use by Year 6. Thank you for sending in the PE kits. If your child has their ears pierced, please send into school some plasters or micropore tape that we can use to cover them during PE lessons. Alternatively, please leave earrings at home on a Thursday for PE day. This is to ensure the safety of the children.

In phonics this week we have started learning and applying 'Phase 3' sounds. This week we have learnt j and w. The children have been trying really hard when reading and writing words and sentences containing these sounds.

In maths we have been learning about 'one more', linking it to different contexts. For example, "I had one apple, and then Mum gave me one more. Then I had two apples."

The children have enjoyed reading the new story called 'Naughty Bus'. In groups, they made a list of what they would need, they created their own scenes of the bus being 'naughty', and have taken photographs ready to turn into their own story book next week.
