

## Reception Weekly Newsletter

11.5.18

This week we have continued learning about Superheroes; creating class Superhero story plans. There were some great ideas offered. We even had a visit from two PCSO's who talked to the children about how they help them, what they do as part of their job and they let the children get locked into the back of the police van! They enjoyed listening to the siren too!

Next week we are going to be planning a royal wedding to celebrate the real royal wedding next weekend! Watch this space!

In Maths we have been practising one more and one less of numbers to 20. Some children are still confusing one less with one more. If you get the opportunity to practise one less at home, we would be most grateful. For example, you could count the number of grapes in a dish, eat one then find how many are left.

In phonics this week we have learnt the trigraph (three letters, one sound) ure (cure, pure, manure). This is one of the trickiest phonemes we learn! The children have read words and sentences containing ure words and have practised writing tricky words and sentences containing them.

PE will continue to be on a Monday for the next two weeks. It will return to Thursdays after the half term.

**Thank you** for all the contributions so far to the trip to Hesketh Farm.

### Diary Dates

Thursday 24<sup>th</sup> May

Friday 25<sup>th</sup> May

Friday 25<sup>th</sup> May

Monday 4<sup>th</sup> June

Tuesday 5<sup>th</sup> June

FOPS disco

8.55 - 10.30 Stay and Play
