

Park Spring Primary School

"Achieving Together"

15th July, 2016

Dear Parents/Carers

In the new academic year we will be entering into an exciting time at Park Spring Primary as work begins on the expansion of our school to two form entry, from September 2017.

During the Summer holidays temporary accommodation will be placed on the lower section of the playground, near the Cool Hut. This will house both Year 5 classes and Early Years (Nursery and Reception). For September 2016, Year 5 will be moving into the temporary accommodation and Early Years will remain in their current provision, however, at some point in the Autumn term they will also move over. Parents/Carers will be informed, nearer the time, of the exact date when this is likely to happen.

For the Autumn term the beginning and end of day routines for dropping off and picking up your child will remain the same. Parents/Carers will be informed of any changes to these arrangements once building work has commenced and this is likely to be at the start of the Spring term in January, 2017.

The safety of the children will be our utmost priority throughout the expansion period and we will continue to ensure their educational provision is not impacted upon in any detrimental way during the new build.

You will receive regular updates on how the work is progressing and we thank you for your support during this time.

Yours sincerely

Rachel Horan
Headteacher.
