Dear Parents/Carers

Living and Growing - Year 6

As part of our science curriculum and Relationships and Sex Education (RSE) we shall be showing the children in year 6 three programmes from the recommended channel 4 "Living and Growing" series and completing activities on these. This will take place on Tuesday 13 and Thursday 15 June.

We are planning to let parents view the video material on Thursday 8 June at 3.30pm in the Year 6 classroom. You will have the opportunity to ask any questions - relating to the programmes and follow up lessons.

If you would like any further support, please come and see us, or Mrs Mahoney (PSHE Leader). Please complete the reply slip and permission slip below. If you wish to withdraw your child from the non-statutory elements of the RSE curriculum, please arrange a meeting to discuss this further.

If you have any questions please see class teachers.

Yours sincerely
