## "Achieving Together"

28 September 2015

Dear Parent/carer

### 2016 Year 5 Residential: Geography Field Trip to Malham

We have now booked our Year 5 residential! We will be staying at The Field Study Centre on the shores of Malham Tarn, North Yorkshire, from Monday 23 May to Wednesday 25 May. This is a 2 night / 3 day stay.

We have managed to secure this trip for a total cost of £150. This is the price of the residential, all activities, meals and transport.

We hope you agree that we have secured the trip at an extremely good price, as we want as many pupils to attend and benefit from the trip as possible.

**Booking this in advance will allow you to take advantage of our savings scheme.**

This exciting trip will be part of our studies of *Geography* and *Science*. Mr Barker and school staff will be leading the trip and will be supported by highly skilled study centre tutors that will make our learning truly high class and very memorable. We will be making safe use of this stunning location whereby children will have the opportunity to experience physical features in the beauty of the Yorkshire Dales. We will go for walks, experience waterfalls, carry out science experiments and geographical studies, sleep in cool dormitories and be fed amazingly well.. We hope to show you what we did in a special assembly upon our return.

You can secure a place on the trip with a £10 deposit (non-refundable). Full payment is required by 1 May 2016

We will hold a Parent/Carers meeting nearer the time to answer ALL THE QUESTIONS YOU MIGHT HAVE. In the meantime if you have any questions, contact Mr Barker, Mrs Fowler or Mrs Shaw the school office.

Yours sincerely

Mr Barker  
Deputy Head Teacher
