

NURSERY NEWS

WEDNESDAY 20TH SEPTEMBER 2017

Welcome to all the children that have started Nursery this week, we hope that you are all enjoying yourselves. Please come and chat to a member of the team if there's anything that we can do to help.

Nursery News

This Newsletter goes out each Wednesday to let you know what's been going on in Nursery and what's coming up. If you ever have any questions about anything you read on here please just ask and we will be happy to explain...no question is a silly question!

This week's learning

We have started doing our phonics and maths sessions in small groups this week, a big well done boys and girls for listening carefully to what's been asked of you. We have heard lots of stories, sung lots of songs and have been practising 'twinkling' our fingers when the bells ring. We are really doing our best to tidy up too! Lots of children have been using our junk modelling resources to paint models. The Gruffalo interest has also continued!

Nursery Library

Please feel free to borrow a book from the Nursery library in the cloakroom area!

Independence

We are really encouraging our children to have a go at doing things for themselves. Please ensure that they are able to do this by providing shoes with Velcro on that they can easily get their feet into. On a morning, please encourage your child to remember where all his / her things go by themselves. Thank you.

Rhythm and Rhyme times

Rhyme time sessions will start this Thursday (8.55 - 9.20) and will take place on Mondays too (14.50 -15.15). These sessions will happen every week and anybody's welcome, child minders, grandparents, parents, younger siblings, babies... :) We hope to see you there!

Individual targets

In the next few weeks your child will receive a target to support their learning. These are individual and tailored for your child. Please help them to achieve by supporting them at home with their targets too.

IMPORTANT DATES

Thurs 21st Sept—Mrs Ward out 2.30 onwards

Monday AMs—Mrs Ward's PPA time (planning, preparation and assessment), Mrs Fotherby in class

NURSERY

VOCAB

This week we have been thinking about our classroom, see if you can talk about these areas of provision at home:

*maths area creative area
painting area music area
Construction area toilets
small world cloakroom*

Rhyme of the Week:

*Twinkle, twinkle, little star
How I wonder what you are.
Up above the world so high
Like a diamond in the sky.
Twinkle, twinkle little star
How I wonder what you are.*
