## "Achieving Together"

27 September 2017

Dear Families

In Art this half term, year 3 are looking at showing facial expressions in drawing and using shading to show different textures and tones. The children have been working really hard to improve their drawing techniques and we would like to invite you to an exhibition of their art.

The children will be exhibiting their artwork, in which they demonstrate their use of shading and texturing techniques to show facial expressions in their drawings. The children will be exhibiting their artwork on **Monday 16 October** from 3.00 until 3.30. Families are welcome at any time in this half hour to come and look at the exhibition pieces and ask children questions about the learning they have been doing. Children will need to stay in class until 3.15, but may leave with their adult after this time.

Please complete the reply slip below to let us know if you will be able to attend the exhibition. If you have any questions about the exhibition or any aspects of your child's learning, please feel free to contact your child's class teacher.

Yours sincerely

Miss Stone and Miss Del Brocco
