## "Achieving Together"

29 February 2016

Dear Parents/carers

### Y1 Games Library

We are pleased to announce that we are starting a 'games library' for all our Y 1 children to access. This will take place every Monday night after school. We have purchased games that we hope as a family you will enjoy playing.

Each Monday, we will be in Miss Horton's class where you can borrow a game and keep it for the week. In order to become a member of this library, **there is a one off joining fee of just £2**. This will give you membership until the end of the school year and allow you to borrow a different game each week **for no extra charge**.

Please return the slip below if you wish to become a member. This offer is on a first come first served basis as we are trialling this library idea at present, so please return promptly.

Yours sincerely

Mr I Barker  
Deputy Head
