

Park Spring Primary School

"Achieving Together"

Dear Families,

On Monday 11th September Year 6 will be kick starting their History topic: What was life like in 1940?

There will be 4 exciting and fun activities for the children to take part in during the day, which will give them real life experiences of being part of WW2.

Please could your children come to school in **clothes you are happy for them to get messy in** - and possibly bring a **spare pair of clothes** to change into in case they get wet/muddy/dirty.

We are excited to learn lots about British History with Year 6 in an engaging and interesting environment. We will be sharing photos from the day on our Facebook page on Monday night if you would like to have a look.

Where possible it would be great if you could support your child in their learning by researching at home, discussing World War 2 with them and listening to their experiences of the day.

Thank you for your help and support

Mrs Munton and Miss Benson
