

Park Spring Primary School

"Achieving Together"

08 February 2017

Dear Parents/Carers

I am writing to inform you of some exciting changes to our school meal service after half term.

Following on from feedback from the pupils, we are now moving to a 'banding' system. This means that each day there will be three main course options on the menu for your child to choose. When they arrive in class they will pick either the red, green or yellow option. They will then be given the appropriate colour wrist band to wear so that when they arrive in the dining room the catering team will know what to serve your child. They will still get the choice of two veg and salad, as well as dessert.

If your child has a food allergy or special dietary requirement, they will also be given a white band.

The menu will still be displayed in the school office and dining room, and there will be a copy in each classroom. Nursery children will still be required to order their lunch at the school office.

If you know that your child will be in late the following day, please order their lunch the day before at the school office. Any child who arrives after 9.30 may have a limited choice, depending on the orders already taken.

We feel that this new system will have a positive impact on your child's dining experience. Please find attached the revised menu for the next three weeks. This can also be viewed on our website.

If you have any questions, please feel free to come and see myself or Mrs Shaw in the office.

I hope that you have a lovely half term.

Mrs Houghton
Food in School and Healthy Schools Leader
