Dear Parent Carer

Year 2 Mathletics Support Sessions

In order that we help your child make the most of this important academic year, we aim to provide small group support after school. This Maths booster will accelerate their reasoning and problem solving skills and I'm sure they will benefit from the extra support. These sessions start at 3.15pm to 4.15pm. The sessions will be delivered by Year 2 staff.

If you wish to discuss this or have any questions please contact your child's class teacher.

The session will commence, Thursday 10 November for 5 weeks

Many thanks for your continued support
