WEDNESDAY 16TH JANUARY 2019

Happy New Year everyone! We hope that you all had a magical Christmastime and a great holiday. It's been nice to hear what the children have been up to and seeing them meet up with their friends again. Well done boys and girls for settling back into the routine as well as you have—it's a long time to be off when you're 3 and 4 years old! Welcome to our new children too :) We are looking forward to lots of adventures together this half term... If you have anything that you would like to share from home with the class (children or grown-ups) please just come and chat to one of the Nursery team, we would love for you to come and join us and be involved. We are always open to suggestions and ideas too so feel free to share any that you have that we could use in Nursery!

Phonics

This week our sound of the week is 'c', next week it will be k (the picture of a k k kangaroo) and the song of the week will be 'Sing a Song of Sixpence'. We would love you to send in some objects that begin with 'k' to share during our phonics sessions. Don't forget that you can find the songs that go with our letter sounds on Youtube by searching for 'jolly songs'.

Maths

This week we have been / will be thinking about reducing numbers, for example, too many toys in the toy box for us to lift—what can we do to be able to lift it? We will also be singing lots of number songs and talking about the fact that we have 2 hands.

Can you help?

If your child has outgrown any underpants or socks and you would like to donate some to Nursery we would really appreciate them. If you are ever throwing away birthday cards, please send them in for us to use instead as they are great for the children to cut and stick with, thank you :) We would also appreciate donations of umbrellas as the children love to use these on a wet day!

Rhythm and Rhyme time

Please keep coming along to these sessions with us—we love to have you there! Mondays at 2.50 and Fridays first thing.

Parent notice board

Please keep checking the notice board in the window (soon to be changed). We keep it updated with things that we know are going on in the local area and at school so if you know of anything happening that you think others would like to know about please feel free to add to it.

NURSERY

VOCAB

*This week we have been
reading the story*

*'Owl Babies' so have been
thinking about the words from
the story:*

*tree trunk Mother feathers gone
thought hunting waited branch
ivy soon big/small brave mice
soft silent swooped*

Rhyme of the Week:

*Sing a song of sixpence a pocket full of rye,
Four and twenty blackbirds baked in a pie.
When the pie was opened the birds began to sing,
Oh wasn't that a dainty dish to set before the king?
The king was in his counting house counting
out his money,
The queen was in the parlour eating bread and honey
The maid was in the garden hanging out the clothes,
When down came a blackbird and pecked off her nose!*
