

NURSERY NEWS

WEDNESDAY 13TH MARCH 2019

What a windy week it's been! This week we have enjoyed lots of wonderful water play and have been making some beautiful creations in the creative area thanks to our wonderful donations :) The children are still interested in playing schools and continue to use their teacher bags! Doctors role play has been popular this week too.

Phonics

This week our sound of the week is 'f', next week it will be 'l' (the picture of the lllllleg) . Our song of the week will be 'Lucy Locket lost her Pocket'.

Maths

This week we have been using the story of Goldilocks to inspire our maths. Our number of the week is 3 so we have been finding 3 objects and counting 3 as well as recognising the number. We have also been practising knowing if there are 1,2 or 3 objects without even counting them!

Games Club

Please come along to our games club on Wednesday lunchtime (11.50—12.10), we would love to have you there and you can even take a game home to play if you'd like to :)

Mothers Day Treat!

Sorry for doing the reply slip in such a rush! Just to confirm that the dates are Monday 25th March (PM, starting at about 2pm) and Thursday 28th March (AM, starting at about 9.30). Thank you!

Missed appointments

Donations

NURSERY

VOCAB

This week we have been thinking about 'showing 5' again to help us sit smartly on the carpet.

Can you talk about the 5 special things at home?

tidy hands

tidy feet

looking eyes

listening ears

Rhyme of the Week:

*Lucy Locket lost her pocket,
Kitty Fisher found it,
Not a penny was there in it,
Only ribbon round it.*
