

## Reception Weekly Newsletter

13.6.19

The children have produced some lovely pieces of writing about the farm visit this week. They have all been keen to write about what they saw. We have completed a quiz about farm animals by listening to clues and then saying what animal they thought it was.

Next week we are going to be thinking about 'Who is my Mummy?' in relation to animals and their babies. We will also have the Julia Donaldson book 'Monkey Puzzle' as our book of the week. We will also look forward to seeing you at the Summer Fair on Friday. Please bring the sunshine with you!

In maths this week we have been recapping teen numbers and 3D shapes, such as cylinder, sphere, cube, pyramid, cuboid, cone. The children had a competition to see who could build the tallest tower in one minute and they talked about which bricks they had used and which ones were the best!

In phonics we have been reading words with two consonants at the end, like tent, golf, mend, bend, send. We have also learnt the new tricky word said. Please try to encourage your child to spot this word when sharing stories at home.

Celebration event at Swinnow Park - we will walk up to the park with Nursery as a celebration of all the effort children have put into their learning this year. Parents are more than welcome to join us. Please let us know if you can help. Mrs Houghton's class will be going on Tuesday 9.7.19 (am) and Miss Horner's class on Thursday 11.7.19 (pm). Further details to follow.

Brake Kids walk - we will be doing an assembly and a walk around the field to raise awareness of road safety and to help raise money for the road safety charity 'Brake'.

Sports day - we will be holding our sports day on the field to the side of the KS1 activities. All family members welcome. More details to follow.

### Diary Dates

Friday 21 <sup>st</sup> June	Summer Fair 3.00 - 5.00
Wednesday 26 <sup>th</sup> June	'Brake Kids walk'
Tuesday 9 <sup>th</sup> July (am)	Reception A celebration visit to Swinnow Park
