

Reception Weekly Newsletter

4.10.19

Our final week of the Owl babies topic has seen groups of children looking at our new 'Owl babies' books; discussing feelings, joining in with repeated refrains from the story and finding letters/words in the text. The children really enjoyed it. Next week we are going to move on to the story of 'The Little Red Hen'.

In phonics this week we have learnt the phonemes i and n. We have practised reading words such as pin, tip, pit, it, in and pan. We have also read the tricky word 'the'. It is tricky because we cannot sound it out yet. The children found this word in story books from our class library. This is an activity they could do at home when you are sharing a book together.

In maths we have been learning about the number 2. The children have watched the Numberblocks 2 song and they went on a number 2 hunt around school. They children have practised writing the numeral 2 and have drawn 2 things in their maths books. We will build on this next week.

We are sorry that Roll Up and Read did not happen again this week. We are hoping it will return next week!

Family consultation times have been extended and you will receive a text/email link to the new electronic booking system. Please look at it ASAP so that you can select a time that suits you.

PLEASE REMEMBER TO NAME ALL ITEMS OF CLOTHING.

Diary Dates

| | |
