

Reception Weekly Newsletter

6.12.19

What a wonderful week we have had! The children have been a real credit to Park Spring and their families during our visits to Leeds Central Library. On Tuesday, we unfortunately had train trouble with cancellations and full trains, so we did not make it to the library. We have rescheduled the visit for Monday morning, with timings etc staying the same.

During the visits we had many opportunities to talk about the busy traffic, the train and its passengers, and the variety of buildings along the way. Whilst at the library, the children looked at the vast array of books in the children's library and we shared some stories together. The children did really well with the walks too. We are using stories as a stimulus to create, retell and write our own stories. This learning will continue after Christmas.

In maths we have been learning about 'one less'. "One less than four is three." "One less than one is zero." "One less than three is two." etc. We have linked one less to subtraction: subtracting one.

Christmas party 19.12.19

We are having our Christmas party at school during the afternoon of Thursday 19th December. Please could you send your child with a small snack for them to have during the party. We will provide juice or water to drink. Due to various allergies, the children will be asked not to share their snack with others. We will also be having a special visitor during the afternoon! The children may bring some **named** party clothes in a bag and we will help them get changed after lunch, before the party.

Absence from school

If your child is absent from school, please ensure that you ring 0113 2552526 or text the attendance number: 07706 172 385.

Sock Plea!

Please could you send in any spare *adult* socks for our Christmas crafts!
