

Reception Weekly Newsletter

13.12.19

The week started with our final (rearranged) visit to the library. The children, yet again, proved to be excellent ambassadors for the school and we had another great trip. Mid-week we had a lovely Christmas dinner, accompanied by a Christmas cracker! It ended with a festive Christmas Jumper day to raise money for Save the Children. Thank you for your support. In between all this we had two stay and play sessions. The children loved making wooden baubles for their tree - and they used the hammer and pins with increasing control and independence. Activities like this really do help to build finger and hand strength and in turn make writing easier.

We have been busy preparing for the Christmas play next week. The children have done really well getting on and off the stage, singing and some doing some speaking and dancing. We think you will enjoy watching the show! The performances are at 9.15 and 2.15 on Wednesday, in the hall. Please make your way around the side of school and go straight into the hall. There will be a raffle in the hall. Please note that, for the safety of all our pupils, taking photographs during the performance is not allowed. You may take a photograph of your child only at the end of the performance. Thank you for your support with this.

Thank you for all the donations of books. The book advent calendar has been a huge hit and the children love reading our new books.

Christmas party 19.12.19

We are having our Christmas party at school during the afternoon of Thursday 19th December. Please could you send your child with a small snack for them to have during the party? We will provide juice or water to drink. Due to various allergies, the children will be asked not to share their snack with others. We will also be having a special visitor during the afternoon! The children may bring some **named** party clothes in a bag and we will help them get changed after lunch, before the party.

Absence from school

If your child is absent from school, please ensure that you ring school on 2552526 or text the attendance number: 07706 172 385.
