White Rose Maths:

You can use your workbooks or a piece of paper to complete the learning worksheets or print them off if you have a printer at home. If you can’t do this, just practising along with the video is fine.

Non – internet maths activities:

- 1) Create a poster about everything you can remember about fractions.
- 2) Test a family member on their 7, 8 and 9 times tables. Can you beat them?!
- 3) Hunt for any objects in your house that look like the following shapes:
