<p>Friday</p>	<p>Create your own 'Fact Sheet' about the birds from the story.</p>	<p>Look at the phonics pictures for each letter of the alphabet that I sent out previously – talk about each picture – what sound does it begin with?</p>	<p>Talk about the acorn dropping to the ground. Now we're going to investigate objects dropping into water! Use a washing up bowl and items from around the house that you don't mind getting wet that will float / sink. Drop them all from same height (one at a time) to make it fair. Guess beforehand if the object will float or sink. Use 2 pieces of paper (one for float /one for sink) and draw the objects onto the correct piece of paper. How many objects floated and how many sank? Any surprises?</p>		<p>9am Joe Wicks or Cosmic Yoga Or Go Noodle</p>
