Where children become great readers!

We're excited to introduce **Fast Phonics**, a brand new learning area focused on synthetic phonics instruction. Start by watching the short overview video below and use the 'Start Fast Phonics' button on your teacher dashboard to enter as a demo student and have a look around. Additional brochures, guides, and research are all found on the [Quick Links](#) page!

To access Fast Phonics through the Reading Eggs app, please ensure that all students have the latest app version.
