Lunches and Healthy Eating

Thank you everyone for supporting us with the changes we have had to make with the school lunches at this time. Whilst we cannot provide all the children with a warm school meal, we are trying to provide a balance in a grab bag form.

Thank you to those of you who have been sending your child into school with a balanced packed lunch. Please can I remind you that fizzy/sports/energy drinks are not allowed into school. Chocolate biscuits are fine, but not chocolate bars or sweets. If your child does not have a drink, they can always have water as it is readily available all day. Your child is welcome to bring in a fruit/vegetable snack for playtime if they wish.

Thank you to Sandra at Pudsey ASDA for donating fruit to our KS2 pupils last week.

ATTENDANCE

If your child is going to be absent from school then please text this number **07706172385**. Please note that this phone will not be answered for phone calls. This is last week's attendance report for the week ending 25 September 2020

Year 6 - 3rd Space Maths

A big well done to a group of our Y6 pupils that are working to improve their maths.

Each Monday after school 14 pupils work with their own on-line tutor to develop their understanding. They have a 45-minute session and must work very hard. They have been given their own headset and microphone, so they all have their very own special lesson. This is just a trial at the moment but if the children like it we are looking to involve more pupils. Watch this space.

Well done Y6 that is a lot of COMMITMENT being shown - we are very proud of you!

School Chicken Coop

We are in the process of completing our school chicken coop. We would like to say a HUGE thank you to all the families who have donated and helped supply the materials for our soon to be Park Spring Chicken Family!

Also a BIG thank you to Maddens who donated 40 new slabs and lots of sand to help with the project.

Nursery Donations Welcome

Nursery would like to ask if anyone has any spare umbrella's or any old bits of technology such as mobile phones, camera's or tablets that they could kindly donate to us? If so, could you please place them in a bag and into the quarantine bins at the schools entrances. Thank you very much!

Can my child go to school today?

Do they have any COVID Symptoms?

- **a high temperature** - this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** - this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** - this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Yes

They have a COVID symptom

Self Isolate and Book a COVID Test

Book the test online or call 119

All members of the household should stay at home until the test result is known.*

*Visit gov.uk for advice on when to stop isolating and return to school after a positive or negative test.
