

12 February 2021 - Ethos Statement "I can say how I cope with emotions"

Year 6

Year 6 have covered various topics this week including first aid, Sikhism and 'Eye Collage' Art and other Art in our free time. Take a look at our picture below and visit our class page to see more of our learning journey: <https://parkspringprimary.co.uk/classes/year-6/>

Year 3

In year 3 we have been designing and discussing the topic 'Internet Safety'. The children have showed a great understanding and have contributed with some fantastic ideas and knowledge.

We have also been looking at architecture in Leeds and using our thoughts to create some amazing pieces of art work.

To see more of the exciting things we have been up to, check out our page on the school website: <https://parkspringprimary.co.uk/classes/year-3/>

Parent Pay

If you would like a quicker way for payments to be processed on ParentPay please select the **Add to Basket** option, not the Bank Transfer yellow button. This will make your transaction quicker.

Year 5—Jorvik Virtual Trip

As the Jorvik Centre is not able to open for school trips during lockdown, Year 5 had a virtual tour around it and learnt all about the Vikings. They enjoyed sessions on weapons, home life and story telling. What a brilliant day!

We also learnt about how to respect our planet by reducing, re-using and re-cycling!

Year 1

In Year 1 we had some super Science learning - for our topic 'Materials' we made a 'that's not my shoe' book and described the different properties.

Then a porridge thief appeared both in school and in Miss Thompson's house so we made wanted posters and wrote questions for the Fairytale Police. We think it might have been Goldilocks!

Forrest School

Year 3 have really enjoyed Forest School this term, building dens, making tree cookies, whittling sticks and lighting fires with a flint and steel. We also enjoyed the smores that Miss Carrey cooked on the open fire!

IF YOU WOULD LIKE TO KEEP UP TO DATE WITH OTHER NEWS IN SCHOOL DON'T FORGET TO VISIT OUR WEBSITE: www.parkspringprimary.co.uk

National Online Safety Service

You should have received a text message or may have seen our Facebook page regarding signing up to the National Online Safety Service.

This is FREE and is a brilliant support service for helping you identify factors which may result in your child being at risk while using online platforms and chatting in forums.

To sign up please visit: <http://nationalonlinesafety.com/enrol/park-spring-primary>

NEWS @ HEN

Friday 12 February 2021

Reporter Mr D Hammerton

We have now had the chickens at Park Spring Primary for 6 months and we are pleased to report that they are doing extremely well, thanks to our dedicated team of chicken experts in Early years and Year 1 and Inclusion.

They are looking really healthy and plump and are now fully feathered.

Our Reception children have been enjoying scrambled egg and bagels from their eggs, which they lay about 2 dozen per week.

We already have names for two of our chickens. There is Pecky Sue and Sunshine. It would be fantastic if we could have some suggestions for names for the other four chicken, the theme should be inspired by the name of a famous person

Suggestions so far are:

- ◇ Henifer Lopez
- ◇ Princess Layer
- ◇ Egg Shearon
- ◇ Egger-ther Christie

Please submit your suggestions to the office at office@parkspringprimary.co.uk

Year 2 Road Safety

The children have been learning about how to keep safe and went out and practised their Road Safety knowledge. They were all very sensible and remembered the rules – STOP, THINK, LOOK, LISTEN, CHECK. They used the Zebra and Tiger Crossings outside school and safely crossed the road. Well done everyone!

As part of our Learning Challenge topic 'The Victorians' our children experienced a Victorian school day both remotely and in school. The children dressed up as Victorian children and took part in Victorian style lessons with their very strict teacher. The children were brilliant at joining in the 'Three R's' – Reading, Writing and Arithmetic. We then had an object lesson and looked at new piece of fruit an apple! The children spent the afternoon completing Victorian activities such as baking a Victoria sponge cake and Victorian style drawings. Sadly some children ended up in the punishment book and received two strikes of the virtual cane at the end of the day!!

Positive Coronavirus Results

Educational settings have been asked to play their part in ensuring that positive coronavirus cases are recorded to help with the fight against the COVID-19.

During the half-term break we still need to be notified of any children on roll or staff who test positive for coronavirus. Please provide a copy of your child's positive test result to school as soon as possible with a symptoms start date (by email: office@parkspringprimary.co.uk or text to the number below).

*****If your child receives a positive Covid-19 test result please contact school on 07891274260 and leave a message. This number is monitored 24hrs a day.*****
