

26 February 2021 - Ethos Statement "I recognise when others need space"

WELCOME BACK!

We hope you all enjoyed the break at Half Term! It gave us all the time to recharge and this is evident in the wonderful effort being put in by our pupils both in school and remote learners.

As you will be aware, the Government has announced full school re-opening for Primary schools on 8 March 2021. We are looking forward to welcoming all of our families back. Please make sure you regularly check your emails for updates regarding our plans to make sure we continue to be as safe as possible.

Election of Parent Governor

As you may be aware, we recently held an election for a Parent Governor .

The successful candidate was Mrs Rachel Yates and she will now serve on our Governing Body for the next four years. Rachel will continue in her role as chair of Governors. Thank you, Mrs Horan.

Year 4 have had a great week - they have been showing off their French skills, remembering the vocabulary for animals and impressing Mrs Digby. Makayla has created a volcanic experiment, fantastic! They have shared their ideas in literacy and have shared their growing ICT skills with each other so well, really kind and considerate to each other when they share ideas and answers.

Year 2

Year 2 have been enjoying their Secret Garden project this week. They have made models and of a Secret Garden and have enjoyed the beginning of the story The Secret Garden.

Too Good To Go App

Every day, delicious, fresh food goes to waste at cafes, restaurants, hotels, shops and supermarkets - just because it hasn't sold in time. Too Good To Go lets you rescue a Magic Bag of this food so it gets eaten instead of wasted. You won't know exactly what's in your order until you pick it up - it's all part of the surprise. Great food at great prices, served with a side of environmental kudos.
