### Positive Coronavirus Results

Educational settings have been asked to play their part in ensuring that positive coronavirus cases are recorded to help with the fight against the COVID-19.

**\*\*\*If your child receives a positive Covid-19 test result please contact school on **07891274260** and leave a message.**

**This number is monitored 24hrs a day.\*\*\***

**IF YOU WOULD LIKE TO KEEP UP TO DATE WITH OTHER NEWS IN SCHOOL DON'T FORGET TO VISIT OUR WEBSITE: [www.parkspringprimary.co.uk](http://www.parkspringprimary.co.uk)**

### Plant Pots & Bulbs Donation

We are looking to plant some bulbs and flowers in the next term and we would be very grateful if you have any small plastic plant pots or tubs which we would be able to use or any spare seeds and bulbs which we could use and you would be happy to donate.

Many thanks in advance.

### Goodbye Auntie Joan

On Wednesday we said "HAPPY RETIREMENT" to Joan Allison. Joan has worked in our school kitchen for over 40 years and has cooked more than 1.4 MILLION lunches for the children over the years! We are grateful for all the additional support Joan has provided for sleepovers, Big Digs, staff bacon sandwiches and of course our Christmas dinners. Joan will be missed by all the children and staff and we wish her a happy and restful retirement!

### Love the One & Easter Raffle Fundraising

Well this week we have been raising money for Love the One in support of our 4 sponsored children in India.

The children have enjoyed a non-uniform day and Easter Egg hunt on Wednesday and all week we have been selling raffle tickets.

Well done to all of the WINNERS!!!

**In total we raised over a whopping £750!**

### Wear a Hat Day

Thank you to everyone who donated and supported Wear a Hat Day in support of Brain Tumour Research

It was a great day and we raised a total of £317.76!!!

### Year 6—Science and Maths

In year 6, this week children learnt white and coloured light, how rainbows are made and other places where they might see a spectrum of colours. They loved completing this experiment and were amazed when the colours turned white.

On Monday we went outside to find some maths questions hidden around the playground to see if we could solve them. It was a very windy morning so some of them blew away but those that survived were investigated by year 6 really well!
