class photo's in the new academic year.

School Dinners - for late arrivals

We would like to inform you that, from this week, if your child has not ordered their school dinner by 10.30am (e.g. if they arrive late for school after this time) there will only be one meal option available to choose. This will be a cheese sandwich which will be served with the carbohydrates and vegetables of the day.

If you know your child is going to be late may we suggest that, when you contact school to let us know, you also order their lunch. Alternatively, you could send them with a packed lunch.

Warm Weather and Sun Cream

We are sure you will agree the nice weather is very welcomed at the moment. We would strongly encourage all children to bring to school each day a sun hat.

Please apply sun cream to your child in the morning before school. We cannot allow children to bring this into school with them.

Parent/Carer Consultations and Reports

As a priority we have focussed all of our efforts on ensuring children are safe, happy and getting the most out of their time in school. As such we will not be holding our normal parent/carer consultations which would have happened so that we can continue with our efforts.

However, we will be holding family consultations earlier than normal in the Autumn term so please watch out for the dates. If there is something urgent you wish to discuss please email your child's class teacher.

The National School Breakfast Programme

The National School Breakfast Programme is pleased to announce the launch of its **breakfast at home area** on the Family Action website.

This is to support you in ensuring that you are aware of the benefits of eating a healthy breakfast and the impact this will have on improving your child's readiness to learn.

It offers tools to support parents in providing a low cost, nutritious daily breakfast, when a school breakfast is not available.

Run for Love—Thursday 17th June

Children and Staff will be taking part in a sponsored mile run on the school field to raise money for the Love the One charity who support our 4 sponsored children in India.

Children will need to come to school in their PE kits and we would ask that they bring a £1 donation. If they would like to get sponsorship from their families this is also okay and all money will need to be handed in by Friday 18 June 2021.

Solar Eclipse

On Thursday, Year 6 were fortunate to be able to observe the partial solar eclipse, using special viewing glasses. The children were very excited to be able to watch this rare and wonderful event.

School Uniform

Don't forget you are able to buy your school uniform from Goodies in preparation for September: <https://goodies.co.uk/>

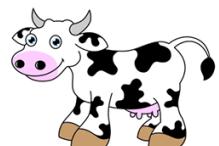

There are some great PE kits which you are now able to order.

Reception Hesketh Farm Trip

What a brilliant day we had at Hesketh Farm, from start to finish!

We made milk to feed the calves, collected the hens' eggs, brushed and stroked the guinea pigs, held chicks, went on Farmer Chris's tractor to see the sheep and cows, had a picnic outside and played on the playground. It was a very busy day and we had so much fun!

Farmer Chris commented on how well behaved our children were. We are so proud of them!

Park Spring Aims and Ethos

It is important that we have a clear ethos and aims at Park Spring Primary

We have created a visual of our ethos and aims and we will be discussing this with pupils in depth.

We have always stood by our school community and family ethos of Achieving Together and we believe this is what stands us apart from the rest.

It is important that children are "Inspired To Be Successful" and that they take this with them through life.

We aim for all children to be resilient, happy, caring and confident while in school and this will make a happy learning environment.

WE ARE PARK SPRING AND PROUD
