Year 4—Date Change

On Wednesday 29th Year 4 will be having an ancient Greek day.

We will be sampling Greek food, playing ancient Greek games and lots more.

We encourage your child to dress up for the day.

Your child could be a God or Goddess, a soldier, a farmer, a mythical creature.

Morning Boosters and Year 4 ICT

Monday to Thursday school will be open at 8.15am for year 4 children to attend the ICT suite boosters session and then at 8.30am for all other children who have been invited to class boosters.

If your child is not attending either of these provisions and you arrive before the school gates are open at 8.45am you must not come on to the school grounds before this time. Many thanks

Flu Immunisation

The school, nursing team will be in school on 1 November 2021. Please use the link below to provide consent for your child to have this done in school. [Flu Consent](#)

Year 6—Science is at the Heart of It

The year 6 children had an amazing Science lesson this week learning about the parts of the heart. They got to make a model of the heart out of plasticine and salt dough and then labelled it. If you would like to make your own at home you will need: flour, salt, red and blue food colouring and some water. Find out how to make salt dough on line and then create your own model of the heart!

Data Collection

This week we have sent emails asking parents to complete the Data Collection information for each child. This collection is a mandatory requirement of schools and must be collected each year. Furthermore it is vitally important we hold the correct information on the system for your child in case of emergency.

We no longer send out paper copies and these forms are online. Please contact the office if you have not received this.

Family Consultation Evening

You should have received a letter and text message link through the Teachers2 Parents text messaging app to book a slot with your child/ren's teacher for a telephone consultation.

If you have any problems booking your appointment please contact the school office.

Friends of Park Spring (FOPS) needs you!!!

FOPS is having a makeover

We are setting up a new children's committee to have a say in the charities that we will be raising money for this year.

We will continue our great work in raising money for the international charity "Love The One" so we are interested in your ideas for a national and local charity that we could support over the year.

We are also interested in which events you would like to see us running in school.

Please click on the link below to provide us with your much valued feedback:

Thanks in advance

Mrs Martin (Charity Lead/Nursery Teacher)

Desktop Computers for Families

As you will be aware that home-learning has been set for this week. If you and your family are struggling to access a device which would assist with the online platforms please contact Miss Beverley in the school office. We have some FREE desk top computers which we can offer to families in our Park Spring community.

We want to support everyone in their home learning journey!

Year 3 Sleepover

If your child is in year 3 please check your ParentPay account to sign up for the Year 3 in school sleepover. If you have any questions please email year3@parkspringprimary.co.uk

Golf FOURRRR! School

The Ryder Cup is a golf competition between teams from Europe and the United States and it starts today! To celebrate this in school next week we will have Tri Golf equipment out on the field for the children to try out. Maybe we will find the next Tiger Woods?!

Our Key Message This Week:

**I AM
RESILIENT
AND CAN
GET THROUGH
ANYTHING**
