Year 5 Parachute Experiment

Year 5 made some amazing parachutes for their characters last Thursday! Our victims (sorry, volunteers) were dropped from different heights with different parachutes to see how air resistance works!

Flu Immunisation

The school, nursing team will be in school on **1 November 2021**. Please use the link below to provide consent for your child to have this done in school.

Black History Month Competition

We have a very exciting competition running throughout October to celebrate Black History! Your project is to choose one significant and inspirational black **Briton** from history, or who's living today, and show us why in a creative way! It could be a footballer, TV presenter or someone who helped shape history.

Your project could be in the form of a presentation, artwork, poetry, dance, magazine, poster. dance, drama or in any other creative way you like.

The competition is open to all year groups, including EYFS. Prizes will be given to a 1st and 2nd place in EYFS, Key Stage One, Lower Key Stage Two and Upper Key Stage Two.

You have until Monday 18th October to email or bring in your projects to your class teacher.
Good luck!

Year 6—WW2 Topic

The children had a visitor this week, which was Judith Rhodes. She showed a documentary, *The Little Suitcase*, that tells her mother's story, and will bring Ursula's Kinder transport case with her. The children asked such great questions and Judith was impressed with the Year 6 children, their knowledge and their interest in WW2.

Year 4—Greek Topic

In year 4 our Greek topic has been a blast so far. We have dressed up as Greeks, sampled some Greek foods (not to everyone's taste but we all gave it a good go!) and played Kottobof (a Greek game using vine leaves). Please see some picture below of the pupils enjoying their experience of Ancient Greece.

Defibrillator Fund Raiser—Bake Sale

Our Early Years and Foundation classes will be hosting a bake sale on the 18th and 22nd of October to kick start our fundraising efforts to purchase a defibrillator for our school premises.

After some information from our first aid training provider it is suggested that ALL schools should have a defibrillator onsite as a safety measure, which can be used in the community.

Defibrillators are a proven life saving piece of equipment and we would be privileged to have one at Park Spring.

We will be hosting other fundraising efforts in order to continue to reach our goal.

REMEMBER, REMEMBER TO
**ATTEND IN
NOVEMBER**

If you achieve 100% attendance for the whole of November you will receive a reward!

Morrisons—It's Good to Grow Points

Park Spring are actively collecting the Morrisons It's Good to Grow points.

It is easy to donate your points to us through the My Morrisons app. All you have to do is select a school and everytime you shop at Morrisons log in to your app and donate away.

So far we have a whopping **1075 tokens** and 53 collectors

THANK YOU TO
EVERYONE FOR
YOUR EFFORTS!
