

Park Spring Primary Whole School Reading for Pleasure Books

The aim of the reading for pleasure list is for children of all ages to develop a love of reading by accessing a wide range of different texts. Within this document you will find a range of age appropriate books for each year group of children. Some of these stories we will enjoy in school as a whole class during story time and others- the children can read independently. Please note we have a separate list of reading books which are our 'Class Readers' that link to our teaching of English through high quality texts and also the topics taught each half term in each year group.
