

Why are our eyes so special

Pre assessment

National Curriculum link: Light

Year 6 HT3

light source	rays of light	dim	dull	opaque
reflect/ reflectio n	transparent	translucent	periscope	iris
refractio n	dispersio n	spectrum	cornea	pupil
retina	variable			

Colour the key vocabulary using green, yellow or red.

Green = words you know

Yellow = words you are unsure about

Red = words you don't understand

Now write each of the green words in a sentence explaining their meaning.

Why are our eyes so special?
