## Reception Trip to Hesketh Farm

Last Friday, Reception had a fantastic trip to Hesketh Farm. We had an amazing day doing so many different activities; making up milk and feeding the lambs, collecting eggs, holding baby chicks, holding, stroking and brushing guinea pigs, feeding donkeys and goats, going on a tractor trailer ride, going on a paddock walk to see more animals and playing outside and in on the farm themed equipment. It was a busy day but we all had such fun!

Reception also really enjoyed a talk from Dave from d:side - an organisation which encourages positive and healthy lifestyles. He spoke to us about different feelings and emotions (what makes us happy, sad, worried, cross), taking care of our bodies (brushing our teeth, eating healthy foods and exercising) and how to be safe around medicines. Dave even got us active in the classroom - running and jumping on the spot! The children all enjoyed the talk, answered the questions maturely and joined in with the exercising enthusiastically!

## Local Charity Support

We are looking for our next local charity to support! In September we will begin again raising money for our; international charity, Love the One; our national charities, Comic Relief and Children in need; and a new, local charity picked by our school council. If you know of a local charity to Bramley, Pudsey or wider Leeds that could use our support, please get in touch to the Year 6 email: year6@parkspringprimary.co.uk. School Council will decide with the help of all pupils who to support before the end of term, so please get in touch before the end of June!

## Sponsored Run for Love the One

We are having a Race for Love on Friday 8<sup>th</sup> July. This will be our last fundraising opportunity to raise money to sponsor our children in India. The children will run and walk 3 times around our school field. If they bring in £1 they can wear their own sports wear (it doesn't have to be PE kit) and there will be sponsor forms available if any friends or relatives want to sponsor them.

## Warmer Weather

Please ensure your child is suitably dressed for the ever changing weather conditions. Please apply sun cream before school as we will not be able to apply this for children. Please ensure your child has a sun hat.

**Absence Reporting**—Please remember to report your child's absence to the school office via telephone or via text message to

### Year 6 Bikeability

A few weeks ago some of the children in Year 6 have been lucky enough to complete their level 1 Bikeability training and some managed to complete their level 2.

The children represented Park Spring in a great way and all showed maturity when going out on the road.

### Year 2 D:Side Visit

Year 2 have had another busy week. We have been learning about the continents and the oceans of the world and talking about the different places we have visited. We are looking forward to learning more about the country Australia and seeing how similar /different it is to the UK.

We had a special visitor come to talk to us from D- Side who talked to us all about our bodies and how to be healthy and keep safe when taking medicines.
