Lower Key Stage 2 Celebration Assembly

Last week our Lower Key Stage 2 classes held a celebration assembly altogether outside. It was wonderful to celebrate together and in person.

Here are some of our great achievers!

Well done!

Hockey Event at Crawshaw High School

A small group of children from Year 4 took part in a 'Come and Try' Hockey event at Crawshaw School.

They did 5 different skills including shooting and dribbling and then had a match against another school that ended 1-1. The children represented Park Spring really well, we all had a great time and we really improved our hockey skills!

Exciting news for all Outdoor Enthusiasts!

Mrs Ward is setting up a group for staff, families and people from the local area to have regular involvement in improving our lovely outdoor space at Park Spring. It is called **Park Spring's Outdoor Enthusiasts** and you can be involved in any way that suits you.

If you would like to join this fun and friendly group then please email me at the following email address: Nbeginning@parkspringprimary.co.uk or, alternatively, please speak to someone in the office and they will pass on your details to me.

If you're not able to be part of the group but you know of any local contacts that may be helpful in any way to do with the outdoors then please let me know of them!

We would like to say a BIG THANK YOU to all the volunteers that got involved with Daffodil Planting last year- daffodils at the main entrance near the sign have been looking really lovely. In the future I would love our group to do more things in the local community to develop the outdoors around and about Park Spring.
