BEACON STATUS

On Monday afternoon, we had an external revalidation meeting with two advisors for the Health and Wellbeing team that we have been working with for a long time.

Miss Bacchus, Mr Hanson, Mrs. Fotherby and Mrs. Houghton shared with them all the good practice we do in school, and 6 wonderful children showed them around and talked to them about their views of being a healthy school.

They were both very impressed with the 'feel' of the school and everything that we offer to our pupils. They also said our website is great, easy to navigate and full of information.

We are happy to say that we passed, and with flying colours! We now have 'BEACON STATUS' for Healthy Schools, for our long-term commitment to support from the Health and Wellbeing service and for our embedded practice.

We are one of 7 schools across the COUNTRY who currently have this status!!

BIKEABILITY

Bikeability for year 6 pupils will take place in May.

Year 6 teaching staff will give out further details nearer the time but instructors will be in school from Monday 15th May to Friday 19th May and then again on Monday 22nd May to Wednesday 24th May.

IMPORTANT INFORMATION

BOOSTERS—If your child has boosters before school, these finish at 8.45am. If your child does not arrive by 8.30am for these they need to wait for the gate to open automatically at 8.45am to come into the school.

PLEASE BE REMINDED THAT THERE ARE NO BOOSTERS ON A FRIDAY.

RECEPTION

It has been lovely to return to school after the Easter break and the children in Reception have been enjoying the sunshine. We had a great time completing our Commando Joe mission this week. The children enjoyed pretending to be Incy Wincy spider while navigating the obstacle course. They used team work and resilience to complete the course while tied to their friends leg.

ST. GEORGES DAY

Did you know St. George's Day is popular in the UK? It's a day of the feast celebrated in England for hundreds of years and starts on the 23rd of April. St. George's Day used to be a national holiday in England. It is now a festival that is celebrated with parades, wearing the national flag and other activities. What will you do on Sunday to celebrate?

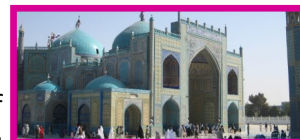

EID

Eid al-Fitr marks the end of the holy month of Ramadan, during which Muslims the world over fast from dawn to sunset. It means Festival of the Breaking of the Fast, and is considered to be a time for gratitude, forgiveness and for making amends.

Eid al-Fitr begins with the first sighting of the new crescent moon, which means that the dates vary slightly from year to year and from country to country, depending on geographical location.

In 2023, Eid celebrations should begin on the evening of Friday 21st April. Traditionally, these celebrations last for three days.
