

PSHE- Year 6- Keeping safe and managing risk – keeping safe out and about

Key Vocabulary

1. Peer pressure - strong influence from people in your group. It could be your friendship group or classmates.
2. Risky - something that involves a risk or danger.
3. Illegal - something that is against the law.
4. Anti-social - an action that is against the laws and customs of a society, and that causes annoyance to others.
5. Society - people who live together in a community.

Important Questions

What behaviours do you think could be considered anti-social? How can you be a good member of our society?

Key Points I will learn

1. About potential risks when out and about in the local area.
2. What risky behaviours can look like in peer groups.
3. How you can respond if you feel pressured into doing something risky which you don't want to do by your peer group.
4. Some consequences of antisocial behaviour.
5. Ways to resist peer pressure.
6. That you have a responsibility for your own actions and behaviours.
