YEAR 2b	96.25%	YEAR 6b	92.4%

Totals 92.3%

Our school target is **94%** you can see that we have missed our target before half term lets try to do better next week.

We will be inviting visitors into school to speak to the children across all year groups. The aim is to open the children's minds to possibilities and opportunities that are out there in the bigger world that they may not know about. We would like to give them a brief insight into to the world of work, volunteering, and hobbies or to simply listen to an interesting story or learn about an unusual item that may inspire them to try something new or different. We want to make it fun and interesting.

We are reaching out to former pupils, local families, friends, and local businesses. Do you or anyone you know have an interesting job, hobby, or an interesting story that you would be prepared to share with our children?

If you have 30 minutes to spare anytime in school hours during week commencing 3rd July, please contact the school office on 0113 2552526.

RECEPTION TRIP TO HESKETH FARM

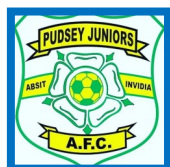

We had an amazing day at Hesketh Farm! We did so many different activities; making up milk and feeding the calves, collecting eggs, holding baby chicks, holding, stroking and brushing guinea pigs, feeding donkeys and goats, going on a tractor trailer ride, going on a paddock walk to see more animals and playing on the farm themed equipment. It was a busy day, but we all had such fun!

PUDSEY JUNIORS

Pudsey juniors are looking for Year 1 girls to join their new team! They train on a Monday at Queens Park at 6pm.

If you are interested in finding out more, please call Ian on 07968828227.

HOLIDAYS

If you are taking your child on holiday during the school term you **MUST** make the office aware. We also have forms for holidays requests that you can complete. Where possible, please take your children on holiday during the school holidays.

YEAR 2

Some exciting things coming up for year 2!

Friday 14th July 9:00-9:30am Y2 Parent Reading event (in our classrooms)

Monday 17th July - Y2 Explorer Day (children to come into school dress as an explorer that day)

GIRLS FOOTBALL

LEEDS UNITED FOOTBALL CLUB

I am the new women and girls' officer here at the Leeds United Foundation. As part of my role, I oversee our Girls Afterschool football programme. Following the recent success of the England Lionesses, we have seen a huge rise of interest into women's football, with more girls each day looking to get involved with the great sport. Our programme is currently open to new primary schools within Leeds and surrounding areas, we would love to offer you a FREE taster, girls afterschool football session. This offer is open until the end of the school year. If you would be interested in booking our services, or if you have any further questions around the programme, please feel free to contact me.

The Programme:

Our Girls Only programme offers a non-competitive introduction to football for girls aged 5-11. The sessions are run in primary schools and at partner grassroots clubs to provide a positive first experience in football through a safe, fun environment. Leeds United Foundation coaches deliver a one hour session each week where the girls learn new football based skills such as coordination, agility, and teamwork. The sessions are the base of our female football pathway, with opportunities to progress further for any girls who would like extra training and to take the next step in their football journey.

Impact / Outcome:

The programme enables girls to discover a talent they possibly didn't know they had as well as being active and having fun playing sport. For many girls this is the start of their football playing journey. The aim of the programme is to develop fundamental skills, make friends and offer a safe and inclusive environment for girls to play football. The programme supports girls to find local grassroots teams to join and progress into a competitive environment to further develop their skills. Players can also access our female pathway with opportunity to progress upwards towards the Academy.

Cost:

£35 per session
