‘ACHIEVING TOGETHER’

Message from our Headteacher

Dear Children

We are looking forward to you starting with us in Reception in September! Here is a little booklet and video which gives you lots of information about what it is like to be at Park Spring Primary School!

Mrs R Horan
Headteacher

Reception has two classes and they share the same classroom. Each class (RA and RB) have their own carpet space for taught sessions and they share all the areas of provision.

All the resources are accessible for the children and we encourage them to access these independently to support their learning. We have extensive grounds at Park Spring as well as a dedicated Early Years garden, which is shared with Nursery.

Take a look at our video of what the classroom looks like without the children in it: <https://youtu.be/ComwBSGGUxQ>

In reception, all children get a Universal Infant Free School Meal. You order this at the classroom door when you come into school each day and then the children are allocated a coloured wrist band at lunchtime to show which option they have chosen. The children go to the dining room to eat their lunch. All children receive a carton of milk (free until your child turns 5) and a piece of fruit each day.

We love learning through play, as this is the best way for the children to learn! Even during teacher led sessions we are as practical as possible. We build on the children's interests and develop topics around these, as well as current events. We try to have as many real-life experiences as possible, such as cooking, walks around the school grounds, visiting the library in Leeds town centre, 'going on a bear hunt' at Post Hill, visiting Hesketh Farm or having an owl visit! Have a look at the photographs below to see some of the activities in reception and visit our webpage: <https://parkspringprimary.co.uk/classes/reception/> to see what we've been up to.
