INTERNET SAFETY

Our PCSO visited on Wednesday 24th April to discuss with Year 3,4 and 6 children about staying safe online. She discussed what the children do online, what apps they use and the types of games they play. She spoke about stranger danger and how to stay smart on the internet: safe, meeting, accepting, reliable and tell. Finally, she helped the children think about who they can go to when something happens online. The children were respectful, inquisitive and our visitor was very happy to have spoke to such lovely children.

MATHS WITH FOOD!!

Getting ready for Y6 SATs can sometimes be hard but not always! Mr B and Cobie decided to look into FRACTIONS this week in their booster session. They ended up eating 2 x WHOLE! They did do some other work too – so they say! Thank you to Mrs Eden for providing the BEST GROWLERS from BENTLEY'S OF PUDSEY. We were wondering if we mentioned BENTLEY'S OF PUDSEY enough times they might want to sponsor more maths lessons!?

DINNER TIME!

Thank you to all families for getting to grips so quickly with the new school meal ordering system. It is working really well and saving so much time in the morning so we have more time to learn, and the children just love the new screen in the dining room where it tells them their dinner choice!

MOMENTS MATTER, ATTENDANCE COUNTS!

Continuous attendance is so important. It gives your child the best start in life.

- When does school start and how is absence reported?
- Classroom doors close at 9.15am, after then a child is late
- Registers close at 9:30am, after then a child is classed as late and unauthorised absent
- Please report absences to the school office or by calling the absence phone on - **07891 274 260** . Telling a teacher or other staff member does not count as reporting an absence.
- Any absence from school that is not the child being unwell / a medical appointment card **MUST** be shown to the office.

LS28 PUDSEY REPAIR CAFE

This Saturday 27 April between 2-5pm (last entry at 4.30pm) we are holding our monthly LS28 Repair Cafe at Pudsey Community Project - Fartown, Pudsey LS28 8LP.

Do you have an item that needs a fix rather than throwing away?

Working as part of Leeds Repair Cafe, we aim to fix items that may be broken and can range from clothing, jewellery, electronic equipment, garden equipment, children's toys, tv remotes, fans, IT, electrical etc – basically we will try and have a go at repairing anything. If you have a faulty item we will try and fix them and if you have the parts then we will fit them for free.

This month we have two seamstresses and two general repairer volunteers.

We aim to repair items as quickly as possible (subject to demand and fixer availability) and there will be lovely refreshments available too while you wait! Just come along from 2pm to Pudsey Community Project, Fartown, Pudsey LS28 8LP.

We also have charity recycling facilities for foreign coins/notes, watches and electronics so bring along anything that you're not using any more to raise money for charity.

Please note, all fixers are volunteers and we can make no promises as to whether things can be repaired!

Please bear with us as we start this still new initiative - it's every fourth Saturday of the month 😊

Many thanks for supporting this new local initiative to bring together the community, impact the environment and try and reduce household costs!
