

All pupils in reception, year 1 and year 2 are eligible for a government funded free school meal.

# Universal Infant Free School Meals

There is no need to fill out an application form, your child is automatically allocated a meal.

If you are entitled to other benefits or universal credit you may still need to apply online to ensure our school receives essential funding.

All of our school meals are healthy, balanced and meet the School Food Standards.

School meals will help your child to learn about new tastes and flavours.

Our school is proud to work with every parent and pupil to meet nutritional needs, so no need for packed lunches for pupils in reception, year 1 and year 2.

We have the ability to cater for special dietary and religious requirements your child may have.

We all eat school meals together to promote equality and consistency.

Taking advantage of Universal infant free school meals will save you up to £456 per child per year in dinner money, and the time and cost of making up packed lunches every day.
