

Y2 Science - MATERIALS  
Are all materials useful?

Week 1

**DIFFERENT MATERIALS**

**LO:** To describe objects, including naming the material from which they are made

Week 2

**INVESTIGATING MATERIALS**

**LO:** identify and compare the suitability of a variety of everyday materials for particular uses

Week 3

**INVESTIGATING MATERIALS**

**LO:** To explain if a material is a good choice

Week 4

**TESTING MATERIALS**

**LO:** To test various materials for their suitability for everyday materials: dungarees, blinds, teabags and bouncy balls.

Week 5

**TESTING MATERIALS**

**LO:** find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting or stretching

What will we be learning about over the coming weeks?
