

Geography – Where does our food come from? (Fair Trade Fortnight)

Week 1

Trade

What do we trade and who do we trade with?

Where does our food and goods come from?

LO: To understand how the UK trades and who we trade with.

Week 2

Fair Trade

To explore the concept of fair trade and why it is important.

To explore ways in which we can support fairly traded goods.

Fair Trade project.

LO: to understand what fair trade is and how we can support fair trade.

What will we be learning about over the coming weeks?
