**YEAR 3**

This week, Year 3 did their PSHE lesson on growing up and how we change as we grow older. The children were asked to bring a photo of when they were younger to see how much they have changed. Miss Wright and Miss Hartley even brought a picture of them when they were Year 3 age to show how much we grow as we get older.

**GRINTON LODGE**

An amazing trip last week to beautiful Swaledale. The children were the BEST EVER group PSPS has taken. They were CONFIDENT, CARED for each other and were very RESILIENT especially when we were scaling Mount Grinton. We got up to nearly 500m high!

Thanks to all the staff that gave up their time to make this happen. Pictured are our award winners worthy of special recognition.

**CRICKET**

Eight pupils from Year 5 and 6 accompanied Miss Wood and Mrs Fotherby to Crawshaw Academy on Thursday to take part in a cricket event with other local schools. Both teachers were really impressed with the batting by all the children and the throwing when fielding was incredible! Miss Wood was inspired to have a go when we sat out a game (as there were an odd number of teams) which resulted in a lot of shouting and laughter but we all agreed that she did a good job! Cricket was great!

**MOBILE PHONES**

Please **DO NOT** use mobile phones on the school grounds. Please put them away before you enter the gate—this is for safeguarding reasons.

### YEAR 1

Having seen all the amazing animals at the Yorkshire Wildlife Park, we have been really enthusiastic about continuing our learning about animals. We did this in Science, looking at classifying animals (sorting them into groups which overlapped with our learning about arrays in Maths), in Writing, where we have written our own poems about animals, and in DT where we are super excited to be creating Park Spring's very own 'Bonkers Zoo'!

### DANISH LONGBALL

Last Thursday, a group of Year 4s went to Crawshaw to try out Danish Longball. None of us knew what it was before we went but we discovered that it is a really great game! It is a mixture of a lot of different sports but most like Rounders except you kick the ball rather than hitting it with a bat. We all really enjoyed the games, playing against different local schools. Miss Wood and Mrs Fotherby were really proud of how the Year 4 pupils developed their skills as the afternoon went on and what good sports they were, shaking hands at the end of each match.

### GOVERNOR VACANCIES

We currently have 3 governor vacancies. One of these vacancies is a co-opted position.

If you are not sure what it means to be a governor at our school or you are looking for further information there is a webcast on 28<sup>th</sup> May which can be found here [Webinar Registration - Zoom](#)

### WRAPROUND PAYMENTS

Please be reminded that May's fees are now due for Breakfast and After School Club. Please 'top up' via your Arbor account or send your screenshots to the office email if you haven't already done so.

### LOST PROPERTY

As you are aware we are sending lost property to Pudsey Community Centre every 2 weeks. Pictured is the amount of lost property we have accumulated over the last 2 weeks!! NONE of this has any names in. On Monday morning, Mr Barker and some children will be on the playground with a pen ready to write names in items of clothing. Children get hot during playtime, put their jumpers or coats down and forget to collect them! If an item of clothing has a name in—we can return it to its owner!

# We want you

Are you struggling to get your child to see a dentist?

Do you think they can sit on a dental chair and accept dental treatment?

Are they between 5 and 14 years old?

We are currently introducing a scheme in which we accept parental referrals for children to receive a course of treatment at the Leeds Dental Institute. This means that we are able to offer appointments to children on a first-come first-served basis.

The Leeds Dental Institute (LDI) Student Clinic is a teaching unit which aims to provide the best possible care for our patients. Our students provide patient care appropriate to their level of training and experience and are closely supervised by registered dental professionals who are teaching staff for the School of Dentistry, University of Leeds.

This scheme is not intended to provide emergency dental care for your child. If your child is experiencing dental pain, you should look up urgent care services that provide dental treatment or contact NHS 111. Leeds University Dental Students would not replace your General Dental Practitioner. Your child will be discharged after the completion of a course of treatment.

Appointments are **Monday-Friday in term time**. Treatment is scheduled around University holidays, exams and other student commitments. Missed appointments without prior notification may lead to your child being discharged from the care of University of Leeds Dental Students.

Scan this QR code to access our referral form.

Once completed, email it to:
