WELCOME BACK

Welcome back, we hope you had a lovely week off in the sunshine. This term is jam packed with amazing events going on, especially for our year 6 leavers. Please make sure your contact details are correct on Arbour and that you are reading your emails and messages as we are aware we are sending a lot of communication home.

LOST PROPERTY

These 2 amazing parents have started to help us with our LOST CLOTHES MOUNTAIN! Every 2 weeks we will be taking the unclaimed clothing to Pudsey Community Project. As we seem to be gathering such a lot of lost clothing we will also be sending items to recycling. Please help us and your children by clearly labelling ALL ITEMS of clothing. Mr B will be out in the playground at the start of the day if you wish to borrow a permanent marker. Next Friday is our clear out day so please CHECK the trolley

VIRGIN MONEY

On the Friday of last term, year 6 borrowed £5 for each child from Virgin money to build their own business. They worked so hard and on the last day of term they sold their products. It was so busy and the children loved it! In total the children managed to raise a STAGGERING **£823.10 !!**

We have paid Virgin money back and managed to cover the costs of the cinema and coach which is amazing! Thank you to everyone that bought from the stalls.

SCHOOL RULES

A little reminder to please follow our school rules, this is for the safety of all the children.

Please **DO NOT** use mobile phones on the school grounds. Please put them away before you enter the gate—this is for safeguarding reasons.

Please **DO NOT** bring dogs onto the school grounds. Please **DO NOT** smoke or vape in the school grounds (this means the school car park too). Thank you.

YEAR 3

Year 3 have had an amazing Egyptian Day on Friday. Thank you so much to families to all your efforts with outfits. The children got to design their own sarcophagus, mummify each other and taste some of the Egyptian cuisine including some red and white wine (juice!). Well Done year 3 for getting so involved in our Egyptian topic!

YEAR 6

This week we finished off our art topic from last term by painting them. It has been lovely to see the children's designs come together and there are some fantastic masks.

Free train tickets to help families beat the 'back to school' squeeze

Train operator Northern has launched a new scheme to help children get confident on the train ahead of the big secondary school move.

The new 'Settling In' ticket will offer one free adult and child day ticket, valid anywhere on the Northern network, to families whose Year 6-age child is moving from primary to secondary school this autumn.

The free tickets will allow a parent or guardian to travel by train with their child to their new school induction day, so that they can practice the journey to school and get comfortable travelling by train.

The scheme is being launched at a time when household budgets are under increasing strain. The operator hopes that a free 'trial run' will mean one less cost to absorb for parents, at what is already an expensive time of year.

Alex Hornby, Commercial and Customer Director for Northern said: "Here at Northern, we know that starting secondary school is a huge milestone for young people, and we know that for many families, every pound counts right now.

"These free introductory tickets are our way of making sure that getting to grips with the train journey - building that independence and confidence in their own ability to travel - doesn't come at a cost. We want children to arrive on their first day of secondary school feeling ready for the year ahead."

Under public ownership, Northern is contributing to a more reliable, better-value railway for passengers, as the journey to Great British Railways (GBR) continues. GBR is focused on performance, reducing cancellations, improving punctuality and ensuring faster recovery from disruption.

Fares have also been frozen for the first time in three decades, helping make travel more affordable. Alongside improved accessibility and a more joined-up approach across track and train, this is creating a simpler, more passenger-focused railway that works better for everyday journeys.

Rail Minister, Lord Peter Hendy said: "This kind of offer is exactly what we want to see from publicly owned operators as we move towards Great British Railways.

"As we undertake major reforms across our railways, we're making sure that travelling by train is an affordable and accessible option for young people getting to school.

"That's why we've frozen fares for the first time in 30 years, helping with the cost of living, and are building a reliable railway that puts passengers first."

The scheme is open to all Year 6 pupils due to move to a secondary school on the Northern network. Families are encouraged to make the practice journey in advance of the new school year to get the most out of the experience.

Northern is the second largest train operator in the UK, with 2,650 services a day to more than 500 stations across the North of England.

To claim the tickets, parents and guardians should complete the online form at <https://www.northernrailway.co.uk/tickets/settling-in>

Once submitted, a unique code will be issued which can be used to book the free day tickets online. Availability is limited to one application per child.

The free day ticket covers one adult and one child travelling together on Northern services.
