Y6 PRODUCTION

Next Friday, 3rd July, will be the dress rehearsal practice for the Year 6 production so we need ALL costumes in for then please. If you are having any problems finding things please let Miss Haigh, Miss Benson or Miss Wood know. Many thanks

TV CHARACTER DAY

Today we had the first ever TV character day thanks to Arthur in Year 3 whose idea it was, well done Arthur!

Thank you to all the families for making an amazing effort with the costumes, you all looked amazing.

So far we have raised £100

YEAR 6

We went to the railway station for Leeds Station safety week. The children learn about railway safety, had a go on a rail simulator, saw how long it took at train to stop, looked inside the cab of a train and what each button did and even played a game of higher or lower with someone from the Rhinos!

YEAR 3

Year 3 have been doing their end of year assessments this week and have done amazingly well especially in this heat. They have used all their knowledge from this year and tried their very best.

YEAR 2

Year 2 have been enjoying doing gymnastics in PE and are trying hard to perfect a crab, a back support and the dish hold.

New UK online safety measures - What's covered?

Social media

Restrictions on access to major social media platforms for under-16s. Platforms named by the Government which may be included are TikTok, Instagram, Snapchat, Facebook, X and YouTube.

✔ YouTube Kids is not currently included in the ban.

Communicating with strangers

Features that allow under-16s to communicate with strangers would be restricted across relevant online services, including gaming platforms.

Livestreaming

Under-16s would not be able to create or host livestreams.

AI chatbots

Romantic or sexual AI chatbots will be banned for under-18s. All AI tools must also switch off similar features for anyone under 18.

16-17-year-olds

Livestreaming and stranger-contact protections would be switched on by default. Additional protections are under consideration.

Platform design

The Government is considering measures such as overnight curfews, breaks in infinite scrolling and other design changes to support children's wellbeing online.

Age verification

Simply asking children to enter their date of birth will no longer be enough. Platforms will need to introduce robust checks, the exact methods are still being decided.

WYNESS Workshop - Offer

Workshop 1 - Sleep challenges

Understand how to support neurodivergent children and young people who have difficulty sleeping
