YEAR 1

Year 1 had a fabulous time at their Pirate Day on Thursday. We dressed up and looked like a real motley crew. At the start of our day some of our grown ups came into class to read the pirate stories that we have written and then we performed our pirate songs outside with all the actions. We also did lots of pirate activities during the day including drawing pirate maps, going on a treasure hunt for coins of different values, drinking pirate punch and eating mouldy ship biscuits! It has been a great day me hearties!

Y4 CAMPOVER

Y4 had the BEST CAMP EVER last night. We had 2 days packed full of activities. We pitched our own tents, learnt how to make fires, built shelters, did a blind-folded obstacle course, went on a night hike up Post Hill (we went up the hard way!), had a BBQ and made Ice cream sundaes, and then toasted marshmallows on a big camp fire. A MASSIVE THANKYOU to all the staff that gave up their time to make this a really great learning experience!

PUDSEY OLYMPICS

The annual Pudsey Olympics was another fantastic event this year, bringing together 12 primary schools to compete in a wide range of track and field events. Our school was proudly represented by ten pupils from Year 2, ten from Year 4, and ten from Year 6, all of whom demonstrated great enthusiasm and determination throughout the day.

Despite competing in extremely challenging weather conditions, every member of the team showed resilience and commitment. The pupils represented Park Spring exceptionally well, displaying outstanding teamwork, respect, and sportsmanship in all events.

The competition was intense, with all schools giving their very best performances. Our team took part in a variety of track and field disciplines and gave 100% effort in each one. Their hard work paid off, and we achieved an impressive overall result, finishing in 4th place out of the 12 schools.

A special congratulation goes to Luca Small and Revina Mdombasi, who were crowned the fastest boy and girl in Pudsey after both winning their respective 80m sprint races. This is a remarkable achievement and a proud moment for the whole team.

Overall, it was a brilliant day filled with determination, encouragement, and positivity. All of the children involved should be extremely proud of their efforts and the way they represented Park Spring. A massive well done to the entire team!

YEAR 3

This week, Year 3 had their Egyptian performance for parents and carers.

Both classes performed a song all about how to make a mummy and then a couple children read out their Ancient Egyptian descriptions that they wrote in Writing lessons. Parents then got to look through the children's history, art and writing books with everything they have learnt this topic. Thank you to everyone who attended.

YEAR 3

On Monday Mr B and 4 Year 5 pupils spent the afternoon with Sarah from Pudsey Community Project. They took up 3 bags of our unclaimed lost property and then helped sort those and other recently collected clothing items into child age size ready for storage and reuse by the local community. The children were great at sorting and learnt lots about the importance of refusing and recycling. They got a drink of juice and a yummy cake for their efforts and Mr B for lots of wellies for our OPAL Welly rack. Thanks to Sarah from Pudsey Community Project for inviting us along.

BIKEABILITY

This week and last week (Mon to Wed) Year 6 took part in bike ability, where the children gained the practical skills and understood how to cycle on today's roads. The Department for Transport funds Bike ability cycle training for schools so we are extremely lucky we get this free resource and I know the children have loved doing this over the past 2 weeks! We will be sending their certificates home to show if they completed the learn to ride group, Level 1 or Level 2. Some of our children learnt to ride a bike for the first time and we were incredibly proud of them!
